Overview Presentation for ICJC

Executive Director: Heather A. Cunningham

April 30, 2021

Our Purpose

Idaho Code § 39-5204: ICDVVA shall be the advisory body for programs and services affecting victims of domestic violence and other crimes in Idaho.

Council Membership – Idaho Code § 39-5204: Members shall be [one from each of the seven health district regions and] representative of persons who have been victims of domestic violence, care providers, law enforcement officials, medical and mental health personnel, counselors, and interested and concerned members of the general public.

Council Duties & Responsibilities

Idaho Statute § 39-5208

- Establish standards for projects applying for grants from the Council
- Disseminate information on availability of funds & application process
- Receive grant applications for programs serving victims of crime
- Distribute funds to approved victim service projects
- Assess, review, and monitor services & programs for crime victims to assure nonduplication of services & encourage efficient & coordinated use of resources
- Compile data on services, programs, & geographic incidence of crimes
- Submit annual reports to governor & legislature

Setting Minimum OIP Standards

Idaho Statute § 18-918(7)(d)

- Council is responsible for setting minimum standards for offender intervention (OIP) treatment programs
- Determining which providers are approved to offer offender intervention
- “Counseling or treatment ordered pursuant to this section [domestic violence crimes] shall be conducted according to standards established or approved by the Idaho council on domestic violence and victim assistance.”

ICDVVA Strategic Plan Goals

- #1 Serve as a key resource to victim service providers
- #2 Serve as a key resource to the Governor, the Legislature, and other agencies on issues and policies impacting victims of crime
- #3 Collaborate and coordinate with other agencies and other stakeholders on issues impacting victims to promote efficiency in delivery of services, effectiveness of programs, and reliable data collection
- #4 Evolve systems for agency accountability and a better working relationship with our assigned department for budgetary and administrative purposes

Mission Statement

To ensure victims of domestic violence, sexual assault, child abuse and other violent crimes in Idaho have access to quality victim services which adequately address their needs and help them heal from trauma.

Vision

Victims of violent crime should have easy & reliable access to necessary help, shelter, and support, wherever they are located.

Necessary services include temporary shelter, needs assessments & referrals, counseling, forensic exams for sexual assault, & victim advocacy in the judicial system

Data Driven Decision Making

In July 2019, the Council contracted with Boise State University to conduct a Victim Services and Victimization report. The Scope of Work, in part, directs the Contractor to provide information on these areas:

Identify DATA

High need locations
Crime types
Specific services
Barriers to funding priorities
Types of assistance needed

Develop RECOMMENDATIONS

Equitable access & types of
services
in rural and frontier areas
of the state

FY22 Council Grant Application Scoring

Agency	Average Application Score	Weighted Application Score	Geographically Isolated 10%	Underserved 10%	Performance 10%	Funding/Victims Served 10%	Reliance of ICDVVA Funding 5%	New Agencies < 5 yrs 5%	Final Score
	Average of 4 application scores	Average score divided by 2	Agency provides services to geographically isolated populations	Rural, tribes, youth, elder abuse, human trafficking, drunk driving, low income, hispanic/people of color, LEP	Draw & reporting timeliness, draw & reporting quality, responsiveness	FY20 funding divided by FY20 victims served		Agency start up < 5 years	

The Council currently defines previously underserved populations of crime victims as follows:

those who are victims of the following types of crime: survivors of human trafficking, homicide, adults molested as children, elder abuse, stalking, and driving under the influence crashes which result in bodily injury or death; and/or

Those victims who have the following characteristics: youth aged 5 to 18, elders over 65 years of age, tribal members, Hispanic or non-caucasian people, individuals with disabilities (developmental or physical), people who are deaf, hard of hearing, blind or visually impaired, people who identify as LGBTQ, people with limited English proficiency, people with low income (living at or below 125% of the federally defined poverty level), people in geographically isolated areas of the state.

Victims of crimes in category (b) above are by definition underserved regardless of the type of crime; all victims of the crime types identified in category (a) above are underserved by definition regardless of whether they have any of the characteristics listed in category (b).
